PUBLIC SPEAKING CLASS

GOVERNOR DUMMER ACADEMY, SOUTH BYFIELD, MASSACHUSETTS

A Different Kind of School Catalog

This special issue of the school newsmagazine, the *Archon*, is published early each summer. We believe it is just as useful as the ordinary school catalog, and we hope it is more interesting.

Most of the text and many of the pictures appeared in the regular issues of the *Archon* published during the school year just past.

The last three pages carry a roster of trustees, faculty and students for 1947-48.

SOUTH BYFIELD, MASSACHUSETTS, JULY 1, 1948

Number 6

SENIORS MAKE UNUSUAL RECORD ON BOARD EXAMS

This year's graduating class made the finest record on the College Board examinations which the school has ever achieved. Forty members of the class took College Board examinations for entrance to college, and by Commencement Day in June, 1948, all but one of these candidates had already been notified of acceptance at the college of his first choice.

In addition, 21 more members of the senior class have secured admission to colleges which do not require College Board examinations. This makes a grand total of 60 seniors who have so far been officially admitted.

GRADUATES ARE WIDELY DISTRIBUTED IN COLLEGES

A study of the graduating classes of '46, '47, and '48 shows that the post-war graduates of Governor Dummer, like their pre-war predecessors, are widely distributed among the leading Eastern colleges; and that, despite the unusually keen competition for college admission, there has been no marked change in the numbers attending the various colleges.

The list below includes all colleges to which four or more Governor Dummer graduates have gained admission from the last three classes.

Harvard	25
Amherst	12
Brown	9
Colby	9
Dartmouth	8
Massachusetts Institute of Technology	7
University of Virginia	7
Boston University	6
Williams	6
Bowdoin	5
Yale	5
Hamilton	4
University of New Hampshire	4
All other colleges	39

Total admitted in three-year period . . . 146

SENIORS GIVEN DRILL IN PUBLIC SPEAKING

Governor Dummer inaugurated this fall a new course in Public Speaking which is required for all seniors. Mr. Arthur W. Sager, head football coach and director of the Glee Club, brings to this course his own experience in public speaking and special up-to-the-minute methods of instruction which he has recently studied. A session of the class is pictured on the cover of this issue.

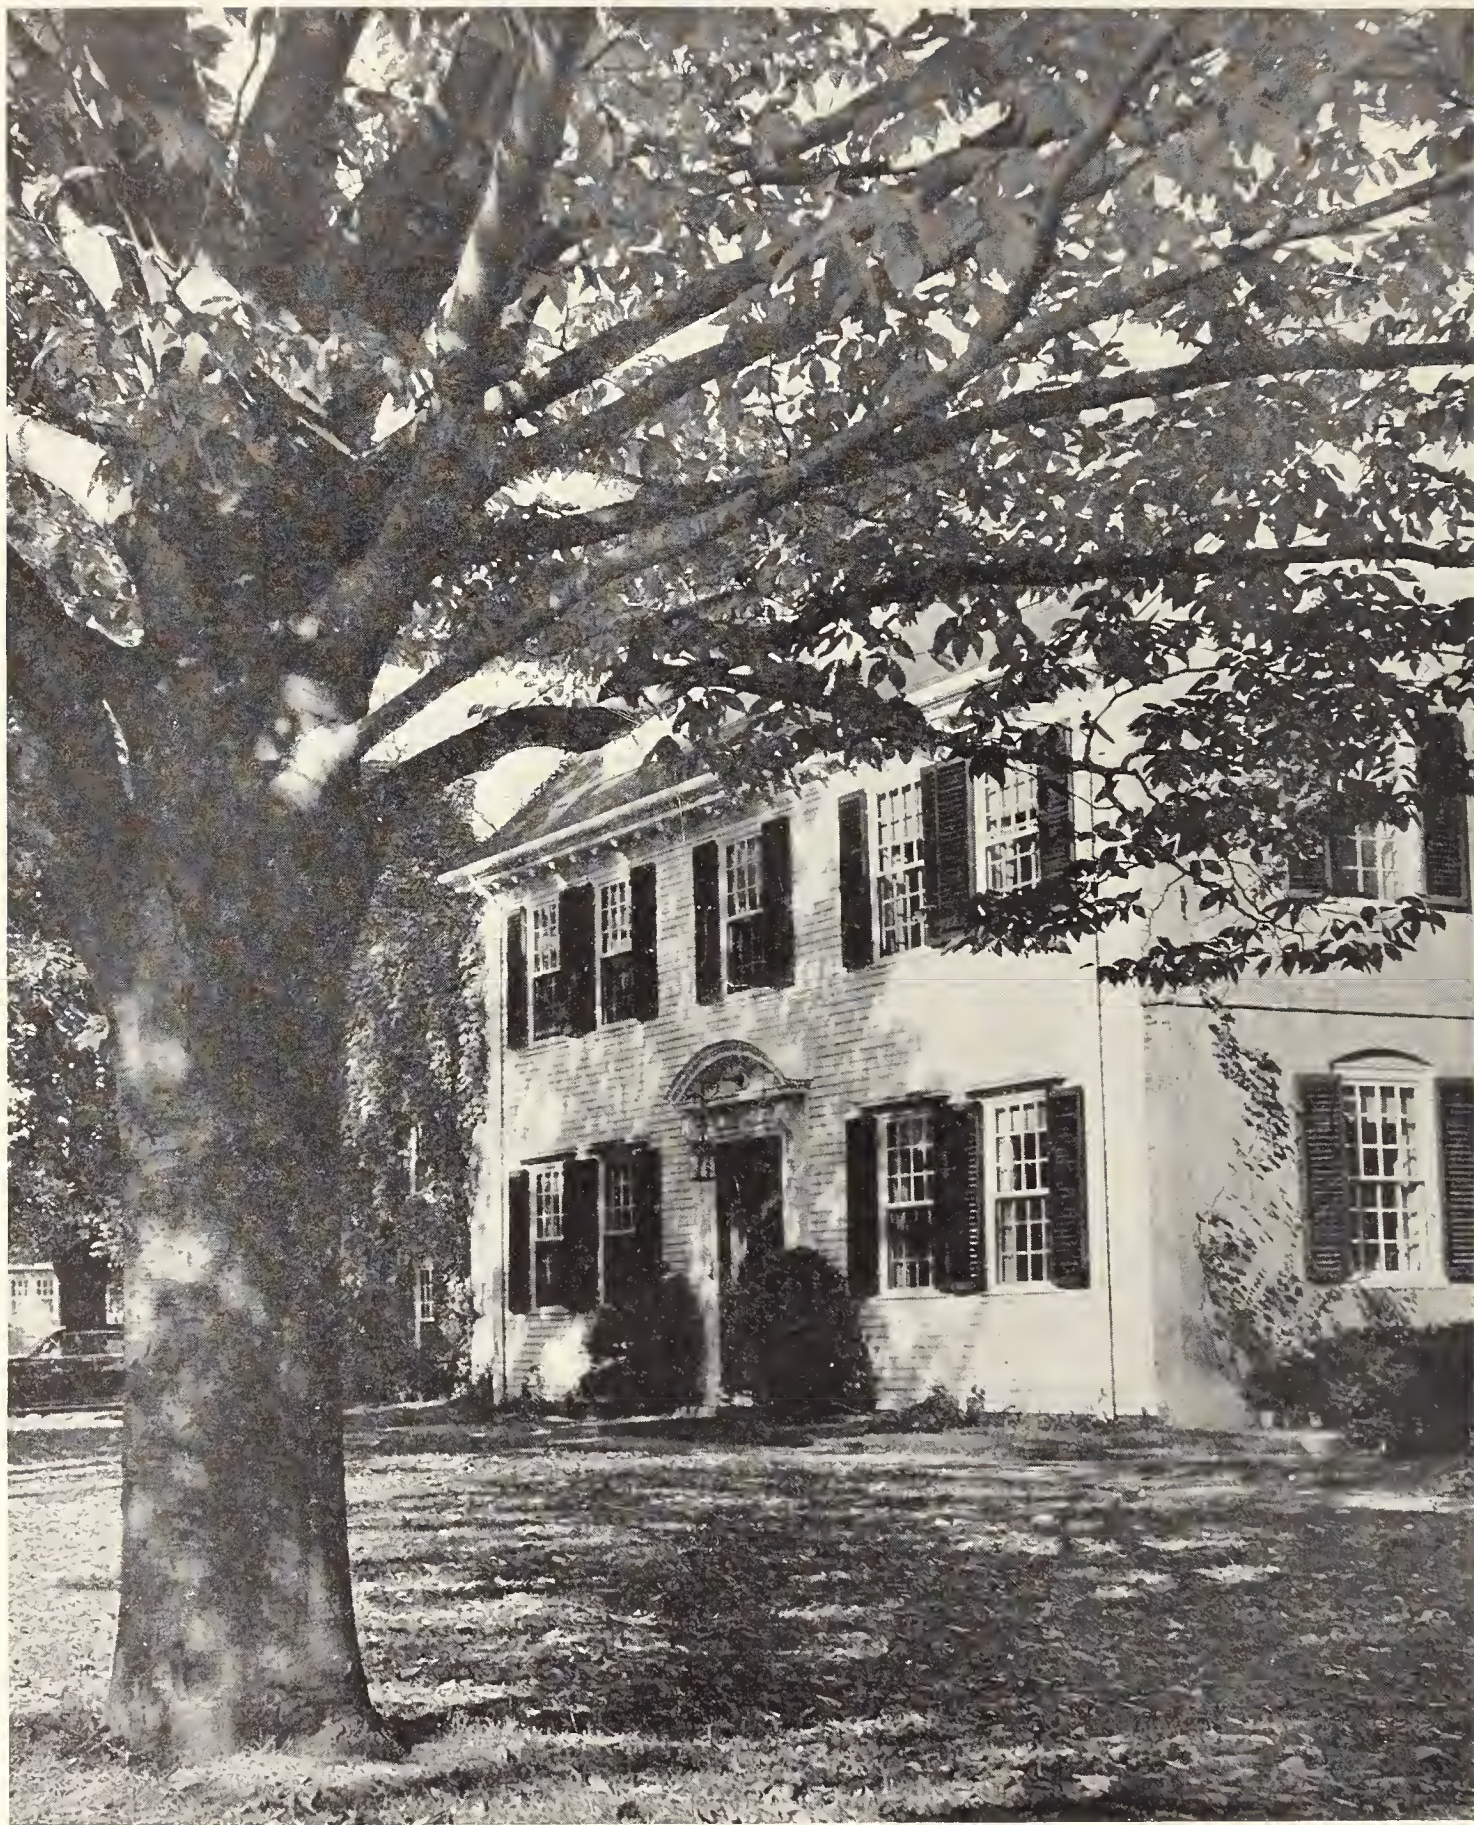

Emphasis is placed upon self-confidence, poise before an audience, ability to think clearly, and expression of ideas in the most effective manner. The senior class has been divided into four sections, each of which has one forty-five minute class period per week. Every boy has frequent opportunities to speak to his classmates.

In addition to the regular class work, each boy is expected to speak to the entire student body at least once during the year; and many boys have still further opportunities to speak by visiting neighboring Rotary Clubs, usually in groups of three or four.

STUDENT BODY HAS WIDE GEOGRAPHIC DISTRIBUTION

Governor Dummer opened its 185th consecutive year on Wednesday, September 17, with an enrollment of 206 boys. Because of the great number of well-qualified applicants, every room was filled and many candidates had to be refused admission.

This year nineteen states are represented on the Academy's roster; and, as usual, a large proportion of the resident students come from outside New England. There are twenty-five boys from New York, eleven each from Connecticut and New Jersey, nine from Maine, seven from Ohio, six each from New Hampshire and Illinois, four from Pennsylvania, four from Texas, and two each from California, Indiana, Michigan, and Rhode Island. Also represented are Kentucky, Missouri, Oklahoma, Vermont and Virginia.

THE MANSION HOUSE

Erected about 1740 as the residence of Lieutenant-Governor William Dummer, this beautiful colonial house is now the Headmaster's home.

THE ARCHON OF GOVERNOR DUMMER ACADEMY

JAMES DUNCAN PHILLIPS BUILDING

This building, completed in 1941 and named for the President of the Board, conforms in architectural style to the New England tradition of the school.

RETIREMENT PLAN VOTED FOR ACADEMY'S FACULTY

One of the most important steps in the history of the Academy was taken by the Trustees on January 17, 1948, in establishing a Retirement Plan for the teaching staff. The plan will provide retirement annuities varying in amount according to salary and length of service. The guarantee of a definite income to faculty members after retirement fulfills a hope long held by Mr. Eames and the Trustees.

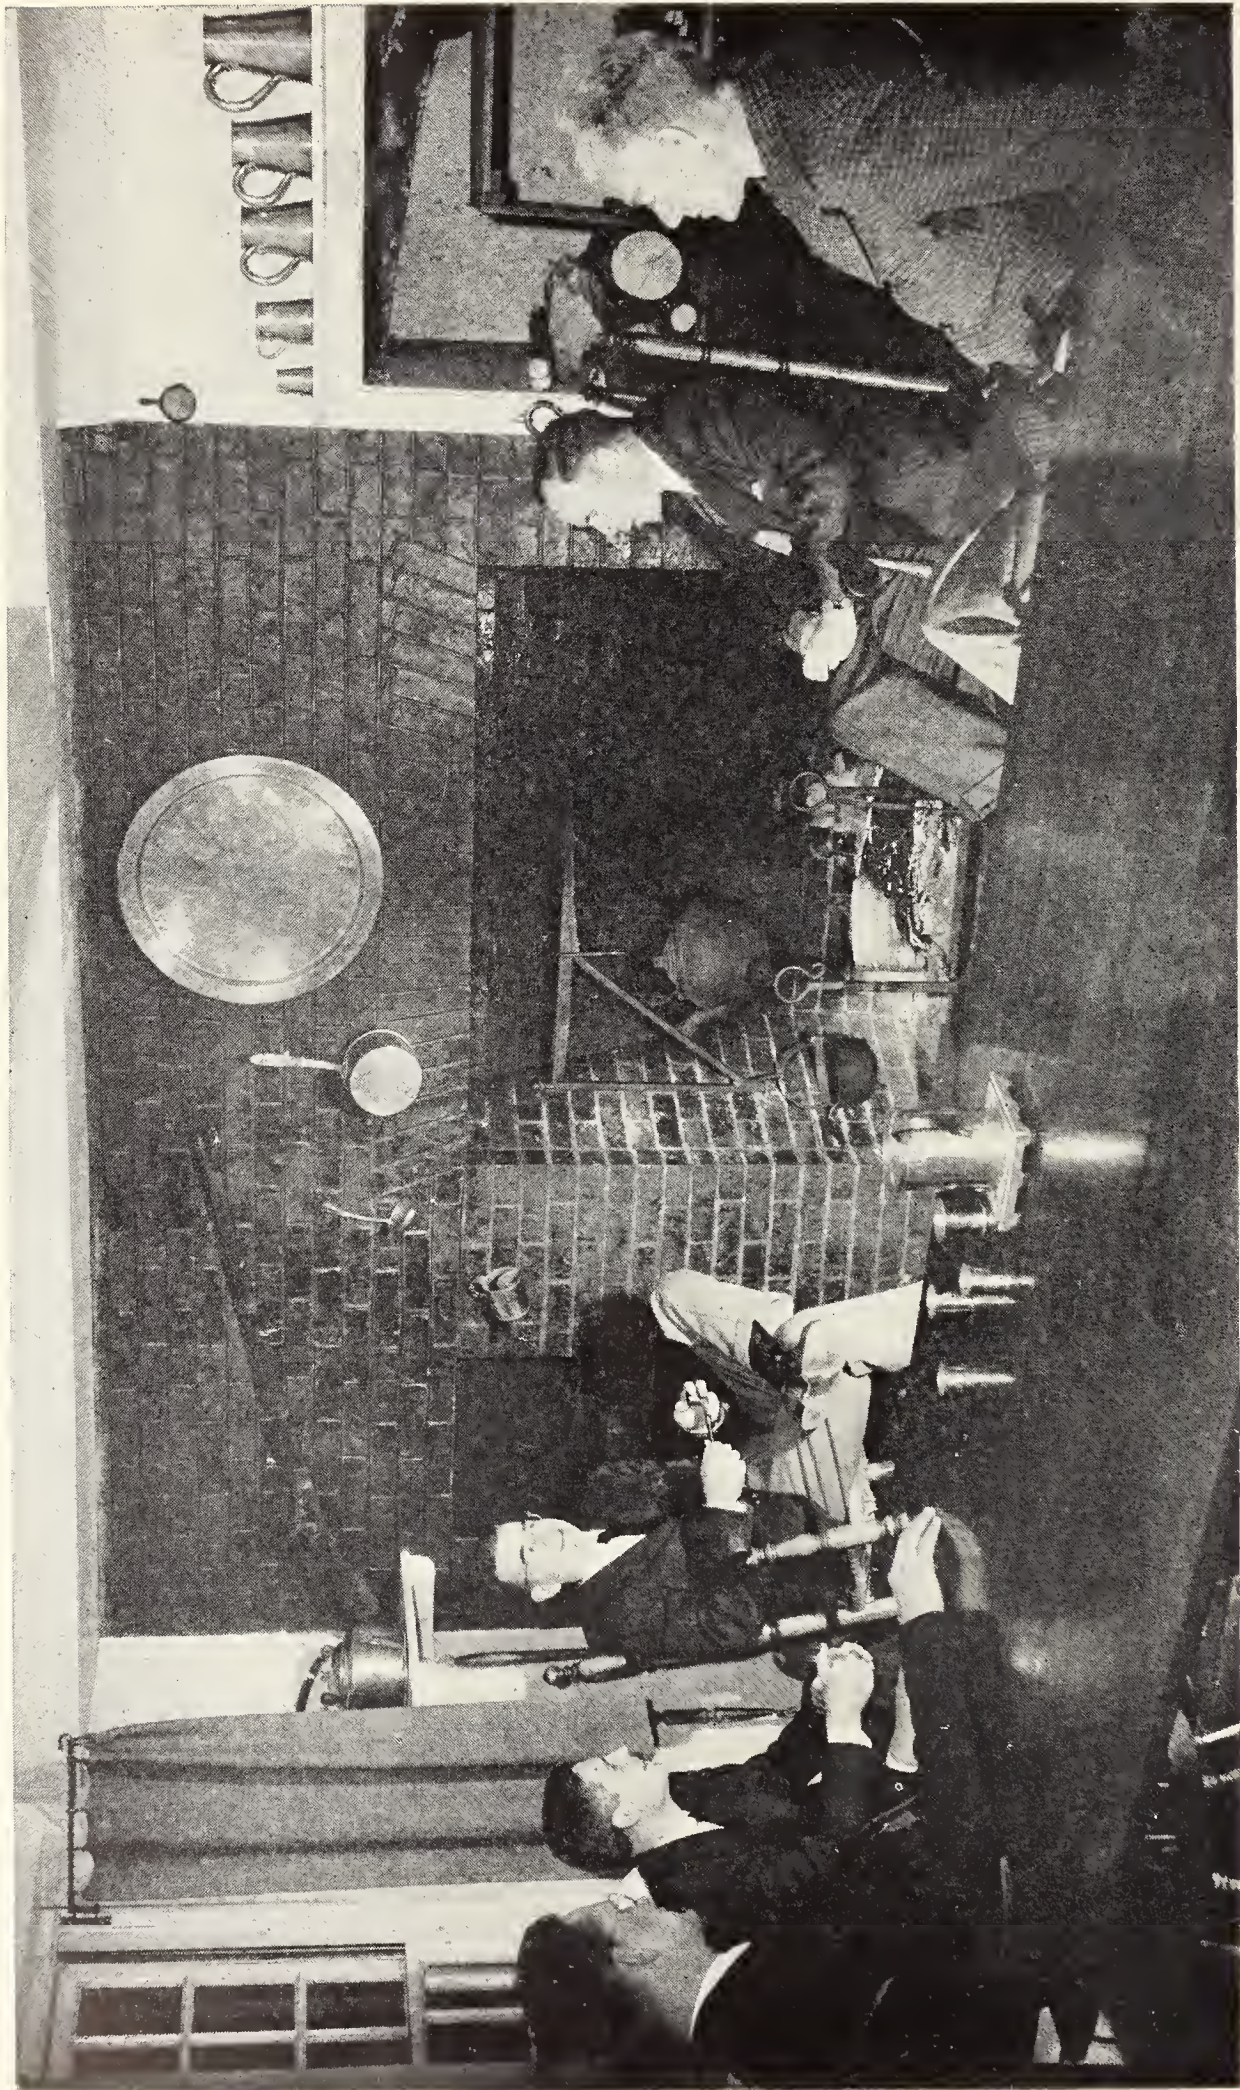

EXCELLENT MOVIES SHOWN

Motion pictures are shown regularly on Saturday nights in the Lang Gymnasium. Among those which the boys have seen this year are the following: *Moss Rose*, *Miracle on 34th Street*, *Dear Ruth*, *Where There's Life*, *Welcome Stranger*, *The Bachelor* and *the Bobby Soxer*, *T Men*, *Winter Wonderland*, *The Secret Life of Walter Mitty*.

SKIERS ENJOY ACTIVE SCHEDULE THIS WINTER

Thanks to unusually heavy snowfalls, ski enthusiasts at the Academy had a very busy season in 1948. The regular ski squad made several trips to Amesbury to use the excellent slope and tow located there, and on January 25 and 28 Coach Traver entered his team in the Amesbury races with considerable success.

All skiers at the Academy have been eligible for trips made by bus to the Belknap Recreation Area near Guilford, New Hampshire. This ski resort has several fine slopes and trails and is equipped with good tows. The first such trip took place on January 11 with about thirty boys along. The party left the school at seven o'clock in the morning and arrived in Guilford about ten thirty. They began skiing immediately and did not have to leave the slopes for the return trip until late in the afternoon. Several similar trips to Guilford have been made since January 11.

GROUP OF MASTERS WITH MR. EAMES IN MANSION HOUSE KITCHEN

THE ARCHON OF GOVERNOR DUMMER ACADEMY

INGHAM HOUSE, NEWEST DORMITORY

This Building, completed in 1946, provides space for 39 boys, 2 single masters, and a married master and his family. There is also a completely equipped dark room for the school camera club.

CHURCH AND SCHOOL LEADERS SPEAK AT VESPER SERVICES

FALL TERM

The Reverend Palfrey Perkins of King's Chapel, Boston.

The Reverend John Nicol Mark of the Unitarian Church, Arlington.

Dr. Wallace W. Anderson of the State Street Congregational Church, Portland.

Dr. Sidney Lovett, Chaplain of Yale University.

Dr. Kenneth C. M. Sills, President of Bowdoin College.

Dr. Morgan P. Noyes of the Central Presbyterian Church of Montclair, New Jersey.

Dr. Henry M. B. Ogilby of the Church of Our Saviour, Brookline.

The Reverend James W. Lenhart of the United Church, New Haven, Connecticut.

Dr. Everett C. Herrick, President Emeritus of the Andover Newton Theological Seminary.

Mr. Frederick R. Weed, Headmaster of Roxbury Latin School.

Dean Robert Russell Wicks formerly of the Princeton University Chapel.

Dr. Robert Wood Coe of the Leyden Church, Brookline.

WINTER TERM

The Reverend Richard J. Schaper of the Rowley and Byfield Parish Churches.

The Reverend C. Daniel Boone of the Ascension Memorial Church, Ipswich.

Dr. Erdman Harris, Headmaster of the Shady Side Academy, Pittsburgh, Penna.

Dr. Richard M. Gummere, Director of Admissions at Harvard College.

The Reverend A. Graham Baldwin, School Minister of Phillips Academy, Andover.

Dr. William W. Patton, American Director of the Near East College Association.

Dr. Herbert Hitchen of the First Unitarian Society in Newton.

The Reverend George L. Cadigan, Grace Episcopal Church in Salem.

SPRING TERM

Mr. Henry B. Poor of Deerfield Academy.

Dr. Bayard Dodge, President of International College at Beirut, Lebanon.

The Reverend Rudolph Roell of St. Paul's Episcopal Church, Dedham.

Dr. Charles F. Phillips, President of Bates College, Lewiston, Maine.

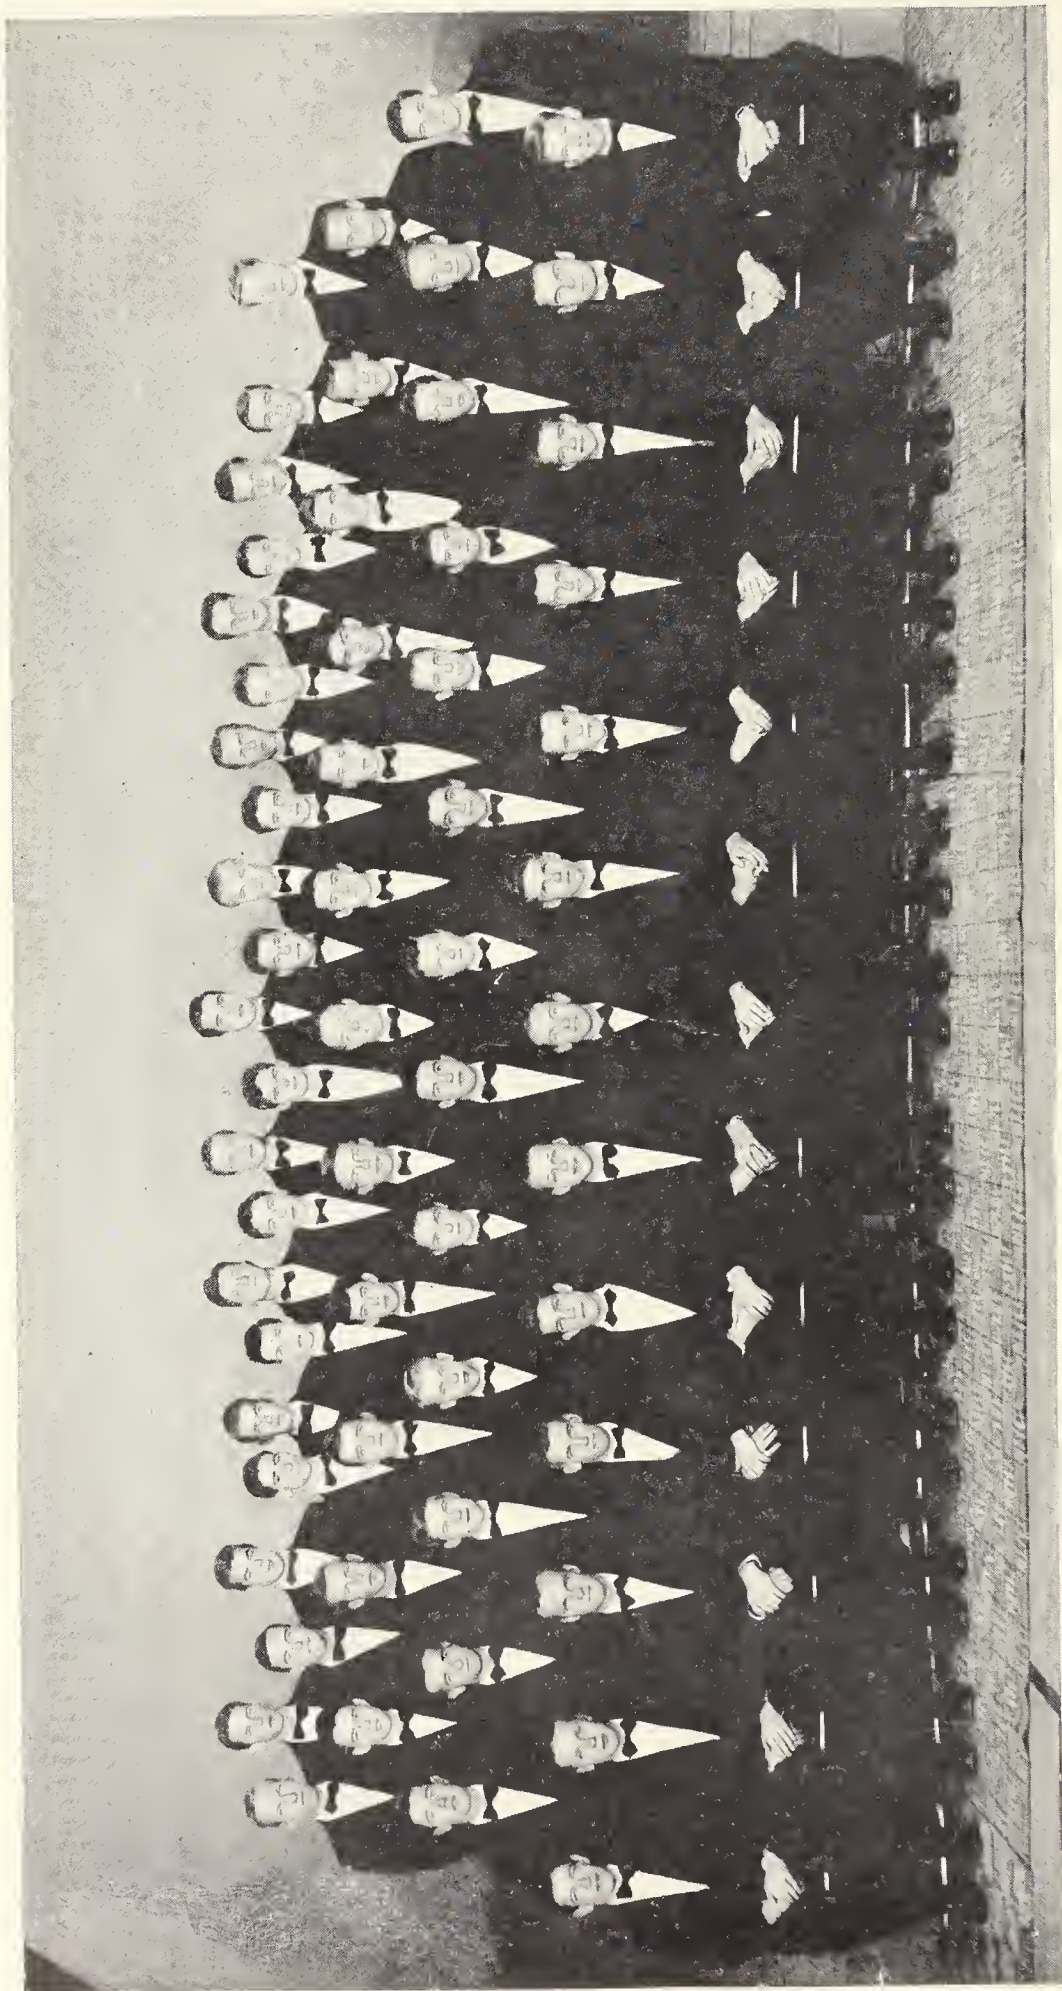

Dr. Henry P. Van Dusen, President of Union Theological Seminary, New York.

Mr. Edward C. McEachron, Headmaster of Derby Academy, Hingham.

Mr. William G. Saltonstall, Headmaster of Phillips Exeter Academy.

The Reverend Kenneth C. Gesner of the First Church in Chestnut Hill.

The Reverend George E. Cary of The First Church of Christ in Bradford.

THE GOVERNOR DUMMER ACADEMY GLEE CLUB

The Glee Club is very popular; often there are more candidates for the Club than for football. The 1947-48 schedule included four combined concerts with the girls of Abbot Academy, Dana Hall, Walnut Hill School, and Winsor School. The club also participated with Phillips Academy of Andover, Phillips Exeter Academy, Milton Academy and three girls' schools in a presentation of Arthur Honneger's *King David* before an audience of 1800 people in Symphony Hall, Boston.

GLEE CLUB IN FESTIVAL CHORUS AT SYMPHONY HALL

The highlight of the year for the Governor Dummer Glee Club was the New England Preparatory School Festival Chorus performance before an audience of 1,800 at Symphony Hall, Boston, on Saturday evening, April 17. This year the group was under the direction of Mr. Malcolm Holmes, Dean of the New England Conservatory of Music. The accompanying music was again provided by the New England Conservatory orchestra. Featured on the program was *King David* by Arthur Honneger; *Alleluia* by Randall Thompson and *Christ Is Arisen*, a XII century melody harmonized by Hans Les Hassler, 1608, were the other numbers on the program. Other schools taking part in the concert were Dana Hall, Walnut Hill School, Beaver Country Day School, Phillips Academy at Andover, Phillips Exeter Academy, and Milton Academy. The combined groups made up a chorus of 350. Mr. Sager, director of the Governor Dummer Glee Club, was business manager of the organization in charge of the concert.

JOINT CONCERTS WITH GIRLS' SCHOOLS ON CLUB SCHEDULE

In addition to the Symphony Hall concert, the Academy's Glee Club has presented four joint concerts with The Winsor School, Dana Hall, Walnut Hill School, and Abbot Academy. It also appeared at the Alumni Dinner in the Harvard Club in Boston on January 23; and its final concert was a part of the commencement program in June.

FIFTEEN SENIORS INDUCTED INTO CUM LAUDE SOCIETY

At a special dinner and meeting on Friday, May 14, the Governor Dummer Chapter of the Cum Laude Society, the national secondary-school honor society which corresponds to Phi Beta Kappa in American colleges, initiated fifteen new members from the senior class.

Following the initiation ceremony Dr. Leonard Carmichael, president of Tufts College, spoke to the school on the subject of reading and its importance in education. Reading, he said, is the foundation of learning and books the pillar of our civilization.

74 SENIORS RECEIVE DIPLOMAS AT 185TH COMMENCEMENT EXERCISES

Governor Dummer's 185th Commencement exercises closed on Saturday morning, June 5, with an address by Dr. Julius Seelye Bixler, president of Colby College, Waterville, Maine. Mr. James Duncan Phillips, president of the Academy's Board of Trustees, handed diplomas to 74 members of the graduating class, and Headmaster Edward W. Eames awarded prizes.

The graduation ceremonies began on Friday morning, June 4, with the presentation of the Morse Flag, highest award of the school year, to Duncan H. McCallum of Byfield.

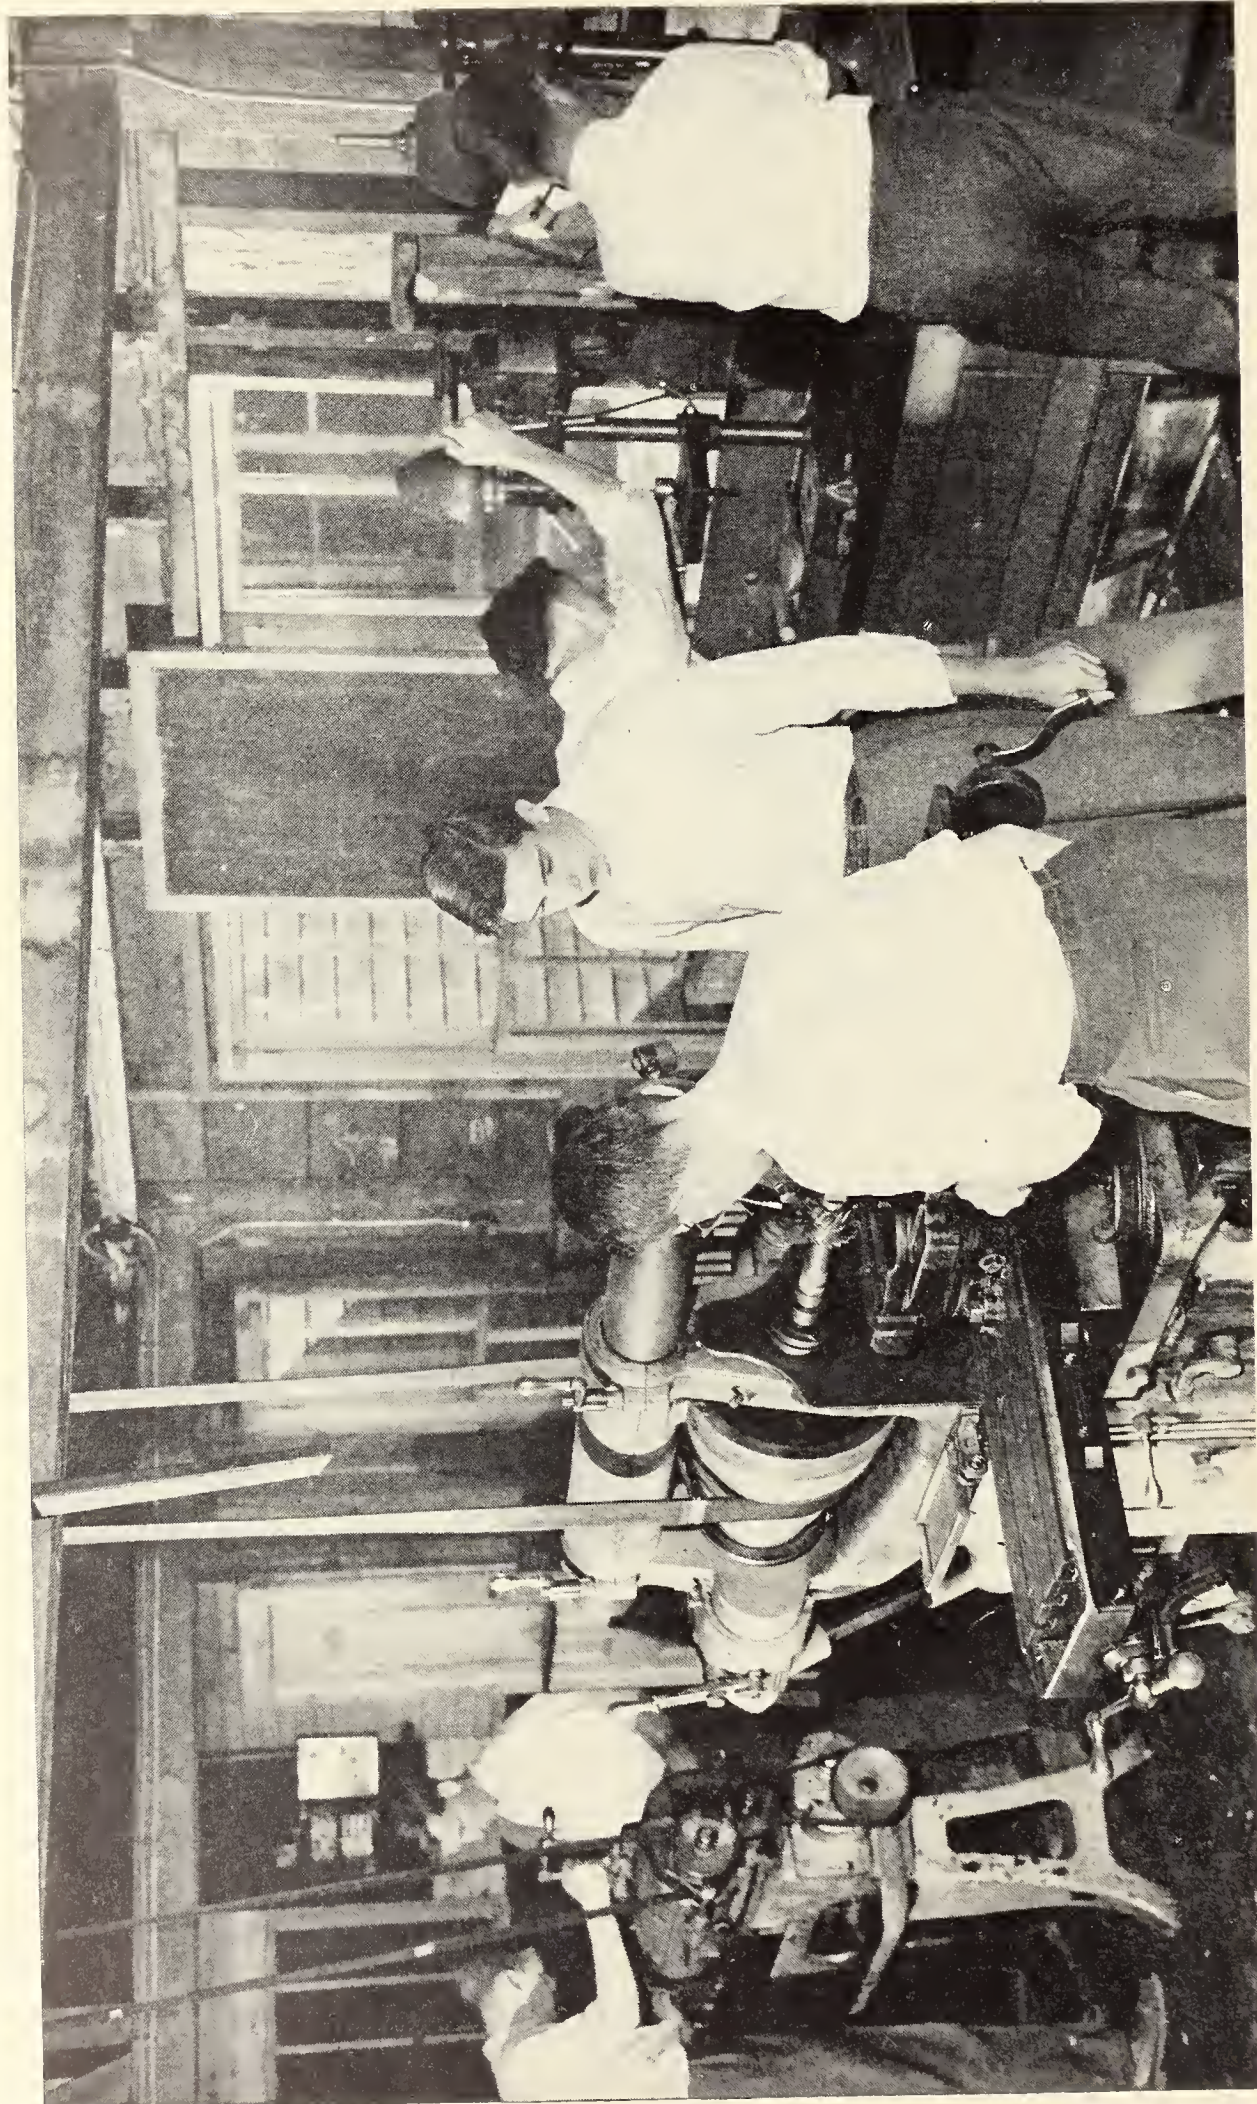

Next event on the program was a Glee Club concert in the Lang Gymnasium with Mr. Arthur W. Sager of the faculty conducting. A buffet luncheon was then served on the lawn in front of the Mansion House.

In the afternoon the Governors' varsity baseball team played Deerfield Academy on Morse Field.

The regular Commencement Dinner took place on Friday evening under a large tent on Morse Field. Mr. Marshall B. Dalton, treasurer of the Academy and member of the Corporation of the Massachusetts Institute of Technology, presided on this occasion, and the speakers of the evening were Dr. William E. Park, President of the Northfield Schools, and the Reverend Vivian T. Pomeroy of the First Parish Church, Milton.

MILESTONE DANCE SETS NEW ATTENDANCE RECORD

The annual *Milestone* Dance took place in the Cobb Room of the Phillips Building on May 1 with about ninety couples in attendance, the largest crowd ever to attend one of these dances. The girls arrived Saturday afternoon in time for two athletic events, a lacrosse game with Dean Academy and a baseball game with Tabor Academy. A formal dinner in the dining room at 6:30 was followed by dancing until midnight to the music of Georges Trudeau and his orchestra. Mrs. Edgar Dunning acted as hostess to the visitors, who came from all parts of the East for the occasion. The girls were shown about the Academy the following morning by their escorts. Proceeds of the dance helped to defray the cost of publishing *The Milestone*, the school year book.

BOYS AT WORK IN MACHINE SHOP

The picture above shows (from left to right) a lathe, a milling machine, and a drill press.

HEADMASTER'S CALENDAR

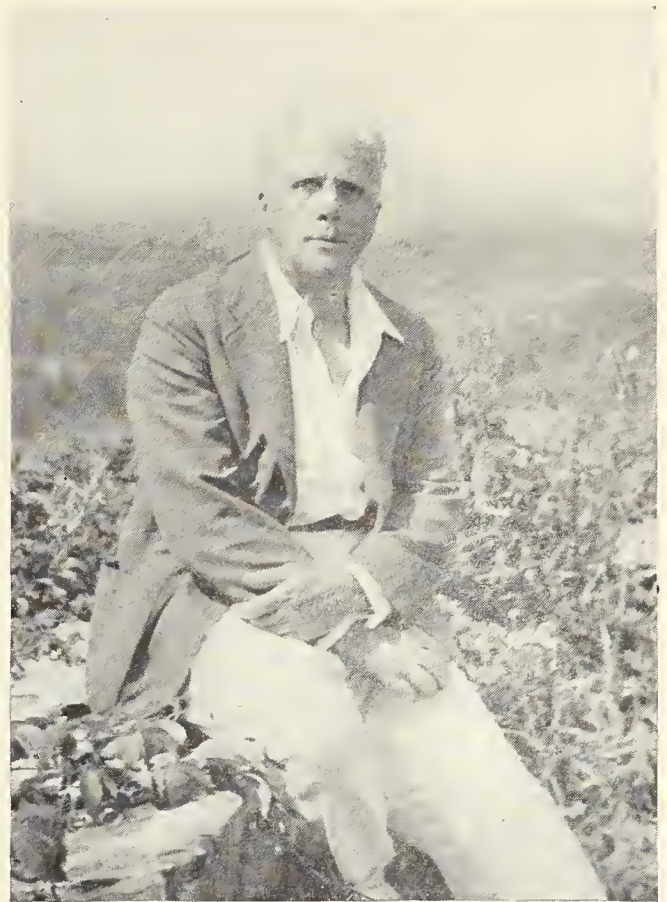

- October 25: Attended a meeting of the Board of Trustees of Amherst College.
- November 6: Made principal address at the final dinner meeting of the Haverhill Community Chest campaign.
- November 16: Spoke at the regular Sunday vesper service at Deerfield Academy.
- January 11: Attended a dinner meeting of the Harvard Board of Overseers' Committee to Visit Harvard College.
- January 18: Spoke at Sunday evening vesper service at Tabor Academy.
- January 19: Addressed meeting of parents of Tower School in Marblehead.
- January 27: Attended meeting of the Board of Trustees of the Bay State Schools in Boston.
- February 16: Presided at meeting of directors of Essex County Y.M.C.A.
- April 7: Attended a meeting of the College Entrance Examination Board.
- May 1: Attended a meeting of the Board of Trustees of International College, Beirut.
-

300 ATTEND FIRST CELEBRATION OF PARENTS' DAY

On Saturday, October 18, the Academy played host to fathers and mothers of students in observance of its first Parents' Day. The celebration was intended to provide an opportunity for parents to meet the members of the faculty and each other and to become more thoroughly acquainted with the school.

The day's program opened at 1:00 p. m. with three athletic events: the varsity soccer team played Milton Academy's varsity on Whipple Field while the J.V. squads met on another part of the same field, and the 'C' squad football team played Belmont Hill School on Morse Field. At 2:30 the varsity football team encountered Milton Academy in their annual tilt. After this gridiron event an informal reception was held in the Cobb Room of the Phillips Building.

A dinner for the visiting parents and faculty was served in the dining room at 6:15 and after-dinner coffee followed. Dr. J. Roswell Gallagher, director of the medical program at Phillips Academy, Andover, and father of Jack Gallagher, now a sophomore here, spoke informally at this time.

ROBERT FROST
Pulitzer Prize Poet Who Spoke to School

ROBERT FROST, NOTED POET, READS POEMS TO SCHOOL

Robert Frost, four times winner of the Pulitzer Prize for poetry, spoke to students, faculty, and friends of the Academy at a special evening meeting in the Cobb Room of the Phillips Building on October 10.

Mr. Frost first discussed briefly, in whimsical vein, the difficulties which a beginner encounters in understanding poetry. He then read from his own works, including the well-known poems "Stopping By Woods on a Snowy Evening", "Mending Wall", "Birches", "The Runaway", "The Road Not Taken", and "Fire and Ice", and more recent and less familiar poems such as "Departmental."

Another parent, Mr. Philip M. Morgan, whose two sons are recent graduates of the school, also addressed the meeting briefly. Mr. Morgan who has served for many years as chairman of the Community Chest in Worcester, is now a trustee of Governor Dummer.

MR. AND MRS. STONE ENTERTAIN YOUNGER BOYS

SCIENCE SHOW PRESENTED
AT CLOSE OF WINTER TERM

On Thursday evening, March 11, a group of physics and chemistry students, led by Mr. Simmons and Mr. Carruth, presented a science show in the Lang Gymnasium.

George Chase, Ransford Cooper, and Burley Stevens were in charge of the radio display. Highlight of their part of the program was the operation of an oscillograph lent for the occasion by Gordon Shaw '47. A Spike Jones record as transformed into linear movement by this apparatus provided a good deal of amusement for the audience.

Houghton Carr and Frederick Miles next demonstrated an infra-red mechanism called the "electric eye." Working with visible light, Howard McIntyre, Bruce Denkert, and Milton Heath made a hit with their explanation of colloidal dispersion.

Finally, Allen Hollis, Stuart Otis, and Allen Hughes showed the use of ultra-violet light.

MORE BRIEFLY

Charles E. Goodhue, III, class of '43, has been awarded a John Woodruff Simpson Fellowship by Amherst College for graduate study. During his junior year at Amherst he was elected to Phi Beta Kappa; he plans to use his graduate fellowship for the study of law at Yale.

* * *

The Governors' hockey team played in a round-robin meet with Belmont Hill, Middlesex, and Brooks at the Boston Garden on February 12.

* * *

On April 22 four members of Mr. Sager's Public Speaking group, George Chase, Dick Palais, Webster Dann, and Ben Lawwill, gave short prepared speeches before the members of the Rotary Club in Ipswich.

* * *

Mr. A. L. Kerr, the father of Colin Kerr, a former teacher here, has recently presented to the school a sum of money for the purchase of books for the browsing library.

EDITORIAL

As we begin the Christmas Holiday we can look back on one of the best fall terms we've ever had here. Our spirits have been high; the whole school has hit a new peak in enthusiasm.

One source of good fun has come into its own more this fall than for several years past, namely, local talent in the fine art of amusing one's fellows. A good game on the gridiron or the soccer-field is important, but those whose abilities tend toward the piccolo rather than the pigskin should also have their due. Sometimes the two combine, as in Rod Jennings, whose dexterous digits are equally adept at catching a high pass or high pianissimo. So also with those two stellar booters, Morgan and Houston, who keep in close harmony on the harmonica as on the soccer field.

Public appearances have crowned the efforts of such accomplished pianists as Jennings, Charlie Arnold, Bill Judson, Dean Stephens, and Harald Amrhein. Johnnie Morgan, Pete Houston and Marshall Jones have all entertained the entire school with their harmonicapers, and Will Ward's tap dancing earned him a recent ovation and some cash.

Besides these boys and many others who have contributed more or less publicly to the enthusiasm and zest of the fall term, there is a great multitude of fellows whose talents are appreciated less widely but no less well. Campion's accounts of the 'Big Green' are epic; 'Vaughn' Lagemann and 'Bing' Ellsworth croon away our blues; and that pocket Blackstone, Bill Catlin, mystifies everyone with feats of magic which amaze even him.

Finally, our hat is off to all those who laugh readily, have a good story to tell from time to time, see the funny side of every day life and convey their good humor to others, sing in the showers, and in a hundred other little ways have something to offer toward making life a little less solemn for those about them.

On April 7, Mr. Dunning attended a meeting of the Association of Business Officers of Preparatory Schools in New York City. Mr. Dunning is president of the association.

ALUMNI DINNERS HELD IN BOSTON AND NEW YORK

The annual banquet for New England alumni of Governor Dummer Academy was held at the Harvard Club in Boston on January 23 with about 75 in attendance. Richard F. Schanzle, '37, president of the Alumni Association, was toastmaster for the occasion, and the principal speakers were Dr. Lewis Perry, principal-emeritus of Phillips Exeter Academy, and Dr. Edward W. Eames headmaster of Governor Dummer.

Several members of the faculty were invited to attend the Boston dinner, and the Academy Glee Club sang several numbers during the evening and was very enthusiastically applauded.

The New York alumni banquet was held at the Williams Club on February 6. "Uncle Tom" Mercer, of the Academy's faculty, acted as toastmaster and the principal speakers were Mr. William Avirett, Educational Editor of the New York *Herald Tribune*, and Mr. Eames, John Bell, '38 was in charge of preparations for this reunion.

MORE BRIEFLY

On November 21 State Senator Philip Allen of Andover addressed the students, faculty, and guests of the school on the subject of state government.

* * *

On November 10 Dr. Waldo E. Stephens of Oklahoma City, former Columbia University professor and current radio analyst of international affairs, spoke briefly on the subject of the Marshall Plan.

Dr. Stephens is the father of Dean Stephens, a member of the class of 1949 at the Academy.

* * *

On January 30 Mr. Jarvis Hunt, former president of the Massachusetts Senate, spoke to the school on the general subject of politics.

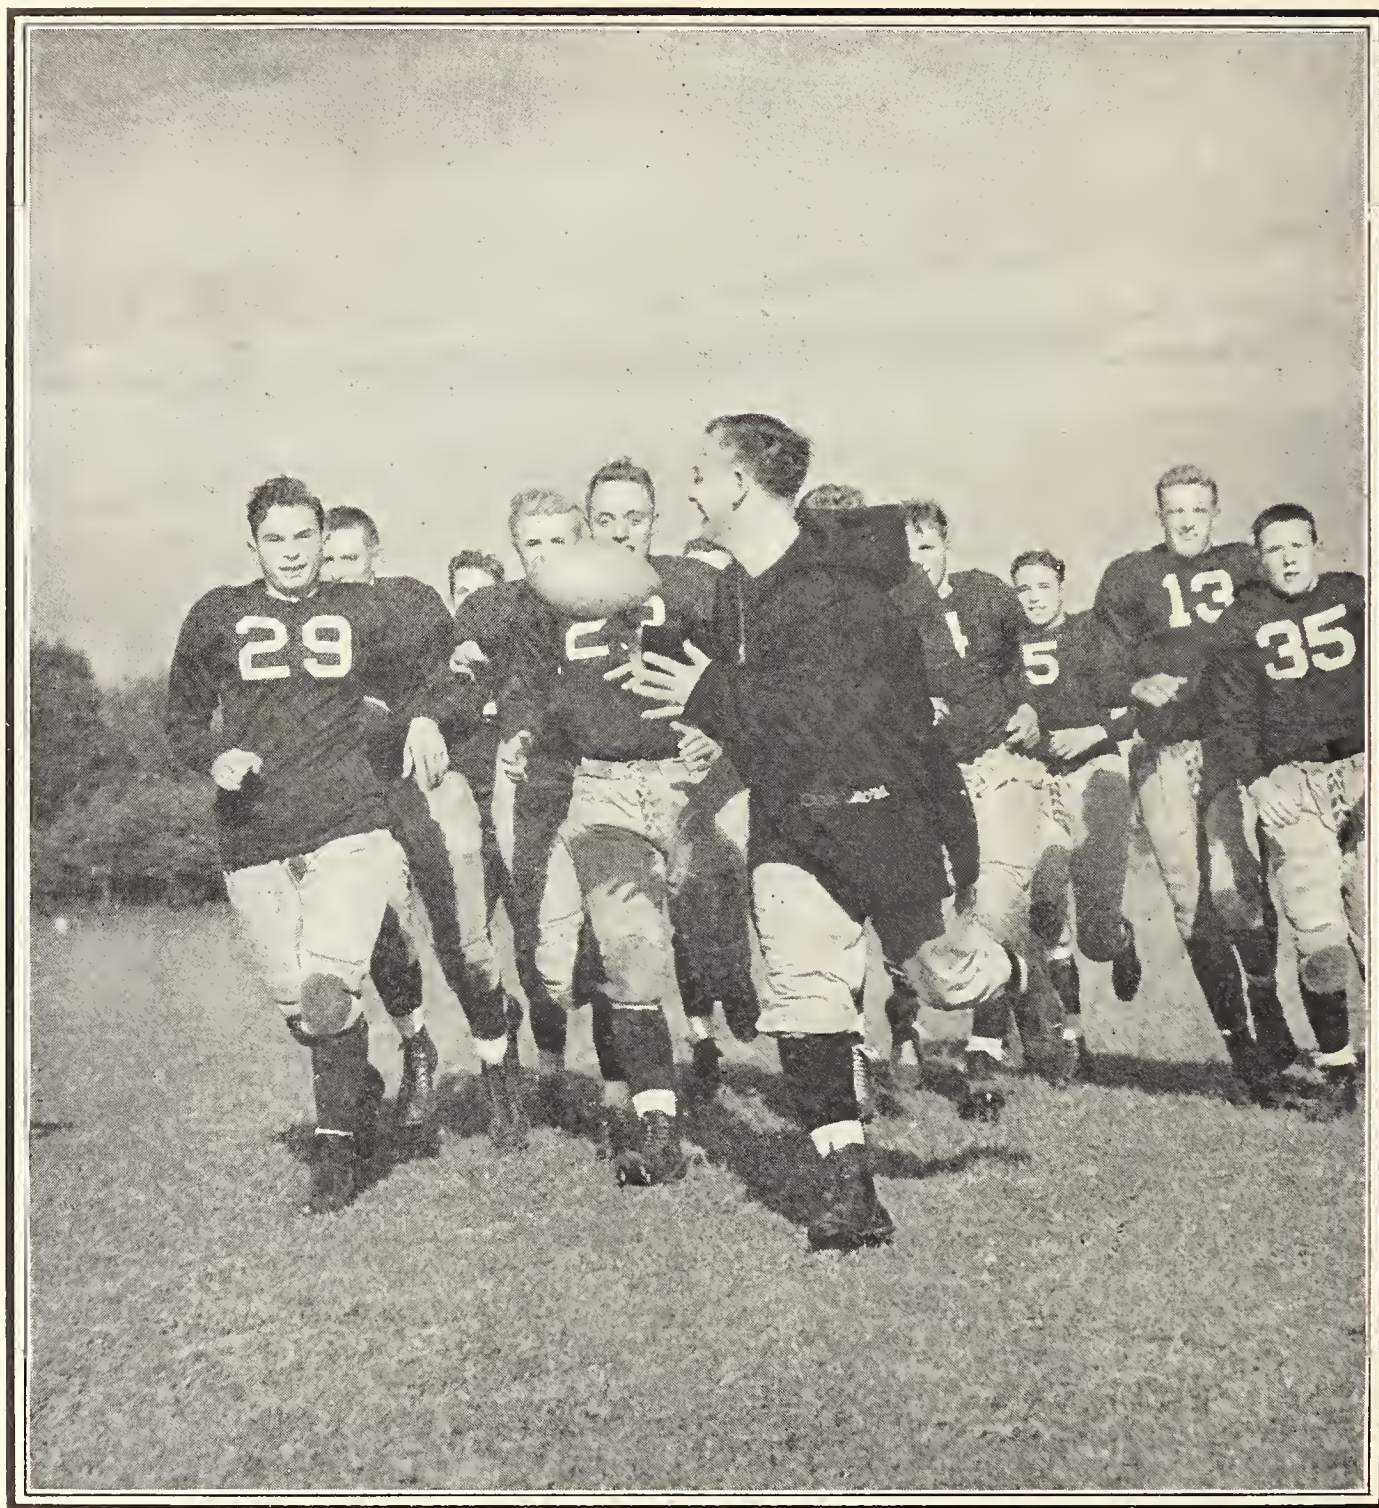

* * *

The *Archon* staff made a trip to Boston on December 6 and visited the Milk Street Telephone Exchange where they saw the long distance ship-to-shore and automobile telephone service demonstrated.

BOYS PLAYING ON SCHOOL GOLF COURSE

The Old Newbury Club golf course is located on school property adjoining the campus.

MR. SAGER LEADS THE FOOTBALL TEAM

Three football fields and two soccer fields are in constant use during the fall term.

ATHLETIC TEAMS IN ACTION

GOVERNORS WIN OVER MILTON BY 26-0 SCORE ON GRIDIRON

On Morse Field, October 18, completely stopping Milton Academy's attack, the Governors ran up a 26-0 score to hand the visitors their first loss in three games and their first defeat at the hands of the Red and White team. From whistle to whistle the home team played superb ball, and showed tremendous fight and spirit.

The two teams played a scoreless first period, but Milton was kept in its own territory throughout this stanza. Early in the second quarter, the Governors started a downfield march climaxed by a spectacular 40 yard touchdown pass from Samborski to Jennings.

In the second half the home team really threw on the pressure and piled up three more touchdowns. Jennings intercepted a Milton pass, climaxing a long Milton drive, to account for one tally, a Samborski to Day pass netted another, and a short heave from Magoun to Martin finished the scoring.

VARSITY BOOTERS TRIUMPH OVER ANDOVER BY 3-1 SCORE

On Wednesday, October 15, the varsity soccer squad defeated Andover for the first time in 12 years.

In the fourth quarter Ash Eames scored for the third consecutive time, giving the home team a lead of two goals which they held for the remainder of the game. The game was highlighted by the playing of Fritz Freeman at goal, Ash Eames at left inside, and Freddie Miles and Dana Getchell in the full-back positions. (Season's record for the soccer team: 9 wins, 2 losses. Ed.)

ST. PAUL'S SCHOOL TOPPLED BY RED AND WHITE QUINTET

On January 31 the Red and White basketball team travelled to Concord, New Hampshire, and scored a decisive win over St. Paul's quintet by a 44-29 score. The Governors swept into an early lead and held their advantage throughout the game. (Season's record for the basketball team: 12 wins; 3 losses. Ed.)

GOVERNORS DOWN MIDDLESEX PUCKSTERS BY 3-2 SCORE

In their third game of the season the Academy's hockey team defeated Middlesex 3-2 at Concord. Early in the first period Ash Eames put the Governors ahead by batting in a long pass from Pierson. Midway in the second period Webb Dann scored again for the Red and White. This score was followed immediately by a Middlesex tally, making the score 3-1. Dann scored again in the third period, and again the Middlesex team came back strong to put another counter into the net almost at once. With two minutes remaining to play, Middlesex took out its goalie and put in six forwards in an effort to tie up the score. This strategy proved useless against a strong defense by the Governors.

SOCCER, FOOTBALL AWARDS AT CHRISTMAS DINNER

On Tuesday, December 16, the annual Christmas Dinner took place in the Lang Gymnasium, with 'Uncle Tom' Mercer acting as toastmaster. Principal speaker of the evening was Dr. J. Edgar Park, retired President of Wheaton College.

The presentation of athletic awards and letters followed the dinner. Francis H. DuGrenier of Haverhill received the Varsity Football Trophy as most valuable member of this year's team. The Varsity Soccer Trophy went to E. Ashley Eames of South Byfield.

Varsity football letters were awarded to twenty players and two managers by Head Coach Arthur W. Sager, and Mr. Howard J. Navins awarded fourteen letters to players and two to managers of varsity soccer.

MATMEN LOSE TO NOBLES

On January 24 the Red and White wrestling team had its first meet of the season with the Noble and Greenough School at Dedham. The final score gave a big margin to the Nobles, but most of the matches were closely contested. Gaudin was the only Governor to win by a fall and points were earned by Cumings (2); Palais (2), and King, D. (10).

ACTION ON THE LACROSSE FIELD

Lacrosse is a popular spring sport. The 1948 varsity won eight games, lost only one. The victory over Andover was the high spot of the season.

TABOR NINE DEFEATED IN TENTH INNING

On May 1, in the third extra-inning game of the season, the Governors defeated the Tabor Academy nine on Morse Field before an enthusiastic crowd augmented by the guests at the Milestone Dance.

The whole team played brilliant ball, but Freeman was clearly outstanding. He pitched an excellent game, allowing only four hits; and only very alert base-running on his part put him on third base to be squeezed in with the winning run on Samborski's well-placed bunt in the tenth. The final score was 3-2.

WINTER TRACK TEAM BEGUN

Governor Dummer had a winter track team this year under the supervision of Mr. Frederic Withington. The big barn was commandeered for practices, and the team also set up a high jump, a pole-vaulting pit, a shotput area, and a place to practice hurdles and starts. For distance running the boys used the gravel road to Thurlow's bridge when weather conditions permitted.

On January 21 and 28 the team went to Exeter where they had time trials in the Exeter cage, and on February 4 they had a meet with the Exeter J.V. squad.

Mr. Withington is a graduate of Phillips Exeter Academy where he captained the track team and held the record for the 300 and 440 yard dashes. He also captained the Harvard Freshman track team and in his last year won the half mile run in the Harvard-Yale meet. He is the holder of a Distinguished Flying Cross for his service during World War II in the U. S. Air Force.

TENNIS TEAM DOWNS ST. MARK'S SCHOOL 5-4

On Saturday, May 15, the Governors' tennis team defeated a strong St. Mark's team, 5-4. Coach Adrian Hasse said that it was by far the best tennis that had been played by the team. Jarvis Lambert, No. 1, Leonard Beck, No. 3, Webb Dann, No. 5, and Dave Pierson, No. 6, all won their singles matches. Dave Pierson and Webb Dann combined in the third doubles and came through under pressure to give the Governors that extra point to win the match.

FRITZ FREEMAN PITCHING

Fritz Freeman concluded an enviable three-year record as first-string pitcher with a notable performance against Deerfield on Commencement Day.

YOUNGER-BOY TEAMS ACTIVE IN INTER-SCHOOL COMPETITION

Governor Dummer's younger boys have enjoyed another active year in inter-school sports. The pony and J.V. football teams each had four-game schedules, including trips to other schools; the J.V. hockey team won two, tied one, and lost two; and despite the heavy snows even the pony hockey team got in one game.

As usual, the league basketball season provided plenty of excitement; and this year the baseball league was once again very active.

To many, the re-appearance of pony baseball was a very welcome sign of the ending of war-time shortages and restrictions. The ponies won one and lost one to Emerson; won their one game with the Brooks School and were rained out of an eagerly anticipated trip to Belmont Hill at the end of their very successful season.

BEN LAWWILL TOOK UP POLE-VAULTING AS A FRESHMAN, BROKE THE SCHOOL RECORD IN HIS SENIOR YEAR

LACROSSE TEAM VICTORS OVER PHILLIPS ANDOVER

Spearheaded by Scoop Sutton's aggressive play at attack the Governors' lacrosse team ran their string of victories to six by taking a 9-6 decision from Phillips Academy of Andover on May 19. The game was particularly notable because it was the Governors' first victory over the Andover lacrosse team in many years. Rick Tyler contributed two goals, and Veasey and Martin played their usual aggressive games.

The season opened on May 1 with a 10-0 victory over the inexperienced Dean Academy team; and on May 8 steady and consistent play, notably by Tyler and Veasey, enabled the Governors to gain an 8-5 victory over the Boston Lacrosse Club.

Tyler, Martin, Veasey, Duffy, Sutton, Ellsworth, and Curtis all made the scoring column as the aggressive Governors continued their winning streak by downing Tufts 13-6 on May 12.

The Governors' strong lacrosse team travelled to Meriden, New Hampshire, on Saturday, May 15, and defeated a good K. U. A. team 9-7 for their fourth straight victory.

GOVERNORS PLACE FOURTH IN N.E.P.S. TRACK MEET

The Governors entered the New England Private School Track Meet at Andover on May 15 with a record of three wins and one close defeat. Eleven boys who had been picked the strongest competitors were chosen to compete against thirteen other schools for the 1948 spring track crown. Captain Al Thompson, who has come within a half inch of breaking the school discus record, took an easy fourth place.

With this two-point beginning Ben Lawwill went ahead to capture $2\frac{1}{2}$ more points for the Governors in a tie for third place in the pole vault.

Brian Pendleton took a very important fifth place in the 120-yard high hurdles and starred by capturing first place in the 220-yard low hurdles. He accounted for six points which boosted our score to $10\frac{1}{2}$. Don Bishop did his best time, taking a well-earned fifth place in the mile run which was won in four minutes, 37 and $\frac{7}{10}$ seconds.

John Morgan was edged out of third place in the javelin by six inches but took fourth to get the last two points.

NEW WING BEING ADDED TO PEIRCE HALL

This two-story dormitory wing will provide additional living quarters for married masters and their families.
